TIVOLI
ILOVIT

SSANGYONG

EFFICIENT & STYLISH

SPACIOUS & REFINED

Tivoli redefines the standard for interior style and trim for a small crossover. A chunky D-cut steering wheel feels and looks good, the fascia is ergonomic, modern and purposeful.

Both EX and ELX models have leather trim as standard – something not matched by Tivoli's peers. This gives Tivoli an interior usually found in vehicles at twice the price and makes travelling in a Tivoli very special indeed.

Tivoli doesn't scrimp on space either – there is plenty of room for driver and front seat passenger and three adults can travel comfortably in the rear.

EXTERIOR STYLE

A stylish proposition whether on the street or off the road, Tivoli's elegant shape features a swept back 'floating' roofline reminiscent of premium 4x4's.

Finished with details such as projection headlamps, stylish LED positioning lights front and rear, also with LED repeaters on the door mirrors (ELX) Tivoli stands out from the crowd.

AN INTERIOR FULL OF FEATURES

SMART INSTRUMENT CLUSTER

Tivoli ELX features a smart cluster that allows you to change its colour depending on your mood!

There's also a sophisticated trip computer on all Tivolis that shows tyre pressures, distance to empty, distance travelled and outside temperature.

INFOTAINMENT

Tivoli SE comes with a double DIN radio that is Bluetooth and iPod compatible.

A 7" touch screen is a feature of the radio in EX models whilst ELX models also come with full European TomTom navigation.

EX and ELX models are also fitted with a rear view camera.

AIR CONDITIONING

Tivoli SE is equipped with manually controlled air conditioning to keep you cool whatever the weather.

EX and ELX models feature a dual-zone air conditioning system which allows driver and passenger to set individual temperatures – and there's even a memory feature for next time you drive your Tivoli!

TIVOLI STANDARD EXTERIOR/ INTERIOR COMBINATIONS

EX MODELS AND ABOVE COME WITH LEATHER AS STANDARD

		Grand White	Silent Silver	Flaming Red	Dandy Blue	Space Black
Paint finish		Solid	Metallic	Solid	Metallic	Metallic
Interior	**SE**	Grey cloth	Grey cloth	Grey cloth	Grey cloth	Grey cloth
	EX/ELX	Grey leather	Grey leather	Grey leather	Beige leather	Beige leather

SPACE & STORAGE

Tivoli is as practical as it is elegant.

There's room for the essentials of life with a large flexible loadspace that adapts to suit your requirements.

Rear loadspace is amongst the best in class at 423 litres and Tivoli's width and height mean that it can accommodate three golf bags.

LUGGAGE BOARD

The cargo bay comes with a luggage cover for security and a folding removable luggage board that provides an easily loaded flat platform and hides a discreet storage space below.

My TIVOLI

The My Tivoli programme allows a much wider choice of colours, trims and drivetrains than standard. My Tivoli vehicles are built to your order and allow for those special touches – a contrasting roof colour, further exterior colours and red leather seats are well worth a short wait for!

Ask your dealer for further information.

ADDITIONAL ENGINE OPTIONS (EX ONLY)

- EX diesel auto 2WD
- EX diesel 4x4

	Grand White	**Silent Silver**	**Flaming Red**	**Dandy Blue**
Paint finish	Solid	Metallic	Solid	Metallic
Interior trims available on My Tivoli	Beige leather	Beige leather	Beige leather	Grey leather

	Space Black	**Techno Grey**	**Jazz Brown**
Paint finish	Metallic	Metallic	Metallic
Interior trims available on My Tivoli	Grey leather	Beige leather or Grey leather	Beige leather or Grey leather

STYLING PACKS† (ELX ONLY)

- Black includes: Black 18" diamond cut alloys and black roof, spoiler and body colour door mirrors (Grand White, Silent Silver, Flaming Red).
- White includes: Gun metal 18" diamond cut alloys and white roof, spoiler and door mirrors (Dandy Blue, Space Black).

† Not available with Techno Grey or Jazz Brown paint finishes.

RED LEATHER PACK (ELX ONLY)

- Red leather seats
- Red trimmed fascia
- Red trimmed floor mats
- Interior mood lighting

TECHNICAL

A choice of ultra-modern petrol or diesel 1.6 litre engines, 6 speed manual or Aisin 6 speed automatic transmissions and Torque on Demand 4x4 available on EX and ELX diesels means that there's a Tivoli for every requirement.

1.6 LITRE PETROL

- 1597cc
- 128PS @ 6,000 rpm
- 160Nm @ 4,600 rpm
- Combined mpg: 44.1 (manual), 39.2 (auto)
- CO2: 149 (manual), 167 (auto)

1.6 LITRE DIESEL

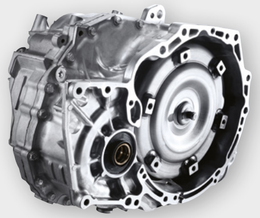
- 1597cc
- 115PS @ 3,400 rpm
- 300Nm @ 1,500 rpm
- 2WD combined mpg: 65.7 (manual), 51.4 (auto)
- 4x4 combined mpg: 60.1 (manual), 47.9 (auto)
- CO2 (4x2): 113 (manual), 146 (auto)

TRANSMISSIONS

Tivoli has a choice of two modern and efficient 6 speed gearboxes – manual and automatic. Matched with our new 1.6 litre petrol and diesel engines which complement your driving style with smooth shifts and well-chosen gear ratios.

The automatic gearbox is sourced from Japanese supplier Aisin and is equipped with three alternative shift strategies – eco, power and winter to suit your driving needs.

AISIN 6 SPEED GEARBOX

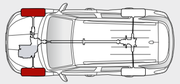


TORQUE-ON-DEMAND 4X4

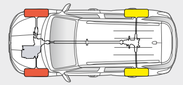
Tivoli features an advanced 4x4 system that operates in two modes depending on conditions and settings.

In auto mode and normal conditions, Tivoli remains in two wheel drive to optimise fuel efficiency, When sensors detect a potential loss of grip, the system progressively engages the four wheel drive mode.

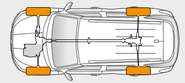
For very loose or slippery surfaces, the 4x4 system can be locked to allocate drive equally between front and rear wheels. This provides supreme grip and control for low-speed manoeuvres.



Mostly 2WD



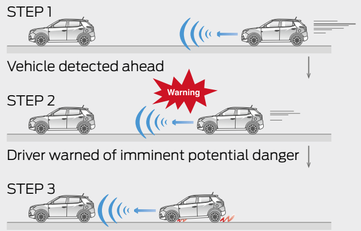
4WD for better stability



50:50 torque distribution(4WD lock)

SMART SAFETY*

FORWARD COLLISION WARNING AND AUTONOMOUS EMERGENCY BRAKING



Evaluating data from the vehicles on board camera, Forward Collision Warning (FCW) can detect a potential collision with a vehicle, pedestrian or obstacle. If a collision appears imminent FCW will warn the driver, and if there is insuffient response Autonomous Emergency Braking (AEB) will intervene with appropriate braking force to stop the vehicle or minimise damage.

*Smart safetypack only available on EX and ELX models.

LANE DEPARTURE WARNING AND LANE KEEPING ASSIST

STEP 3
System temporarily takes control of steering

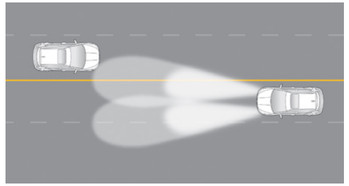
STEP 2
Driver warned of lane departure

STEP 1
Lane markings monitored in front

Lane Departure Warning (LDW) is designed to alert the driver that the vehicle is about to deviate from a traffic lane. Lane Keeping Assist (LKA) then helps

TRAFFIC SIGN RECOGNITION

The TSR system recognises speed limit signs and provides the driver with an on-screen warning.



HIGH BEAM ASSIST

HBA detects oncoming vehicles and the rear lights of vehicles in front and dips headlamp high beams accordingly.

PASSIVE SAFETY

AIRBAGS

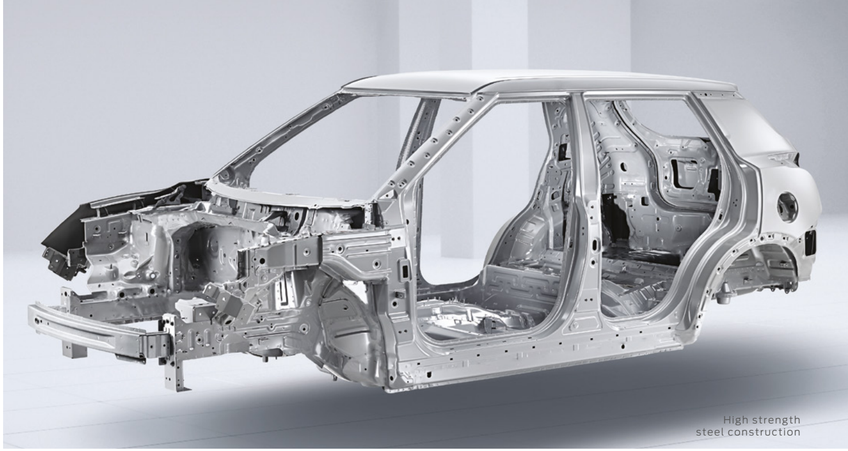
Tivoli is equipped with 7 airbags for maximum passenger protection on impact – the most in its class. These include a driver's knee protection airbag – a feature normally found in prestige vehicles.

ISOFIX

Tivoli is equipped with ISOFIX child seat mountings to the rear outer seats to allow a firm and rigid attachment of child seats.

STRENGTH

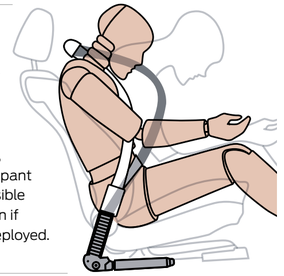
The basis of a vehicle's safety is its monocoque structure – both how it's made and how it responds on impact. SsangYong's engineers have made extensive use of high strength steel to construct a rigid passenger cell.



High strength steel construction

SEAT BELT PRE-TENSIONERS

In the event of a collision, the pre-tensioner immediately tightens the seatbelt over the chest and lap, ensuring the occupant is in the best possible restrained position if the airbags are deployed.



NCAP 4 STAR RATED

FOR SAFER CARS
EURO NCAP
TEST 2016

* EX and ELX models.

ACTIVE SAFETY

Tivoli is equipped with the latest technology to assist the driver to avoid accidents.

TPMS

Tivoli has tyre pressure monitoring built into its electronics. Monitored through the trip computer each tyre is continually checked for pressure with the driver immediately warned of unsafe pressures.

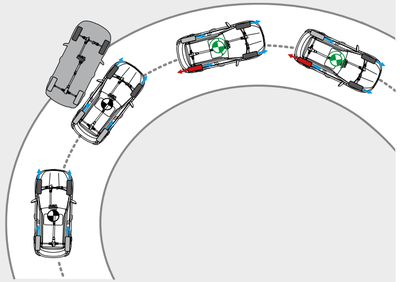
EBD—ABS

ELECTRONIC BRAKEFORCE DISTRIBUTION
ANTI-LOCK BRAKE SYSTEM

Brake force is distributed appropriately to the front and rear wheels according to the vehicular load of persons and/or cargo.

BAS BRAKE ASSIST SYSTEM

This electronically controlled system automatically initiates full braking in an emergency to reduce the vehicle's braking distance and to help avoid an accident.



ESP

ELECTRONIC STABILITY PROGRAMME

The electronic stability programme monitors road conditions and vehicular status constantly, adjusting engine output and braking whenever the driver is about to lose control. The ESP integrates the anti-lock brake system, active rollover protection, anti-slip regulation and brake-force assist to improve Tivoli's intervention capabilities.

FINISHING TOUCHES

REMOTE AUDIO/ PHONE & CRUISE CONTROLS

To maximise efficiency, all Tivolis are equipped with electronic cruise control. The steering wheel mounted controls allow the driver to maintain a set speed without having to keep a foot on the accelerator.

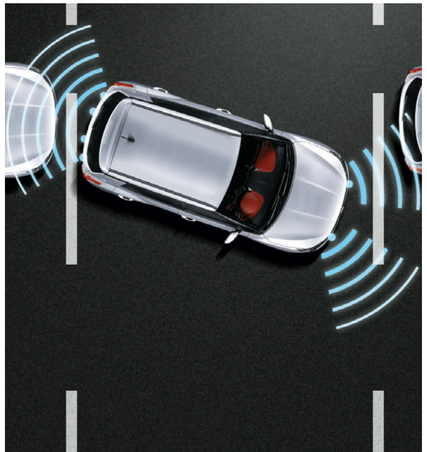
The steering wheel has controls at your fingertips. The radio unit and your phone are controlled on the left whilst the electronic cruise control is on the right.

SMART STEERING

Allows you to match steering effort to your driving style – switch between comfort, normal and sport modes as the mood takes you!

SMART KEY SYSTEM

Tivoli ELX features a push button starting system which allows the car to be started without taking the key from your pocket or bag.



PARKING SENSORS

EX models are fitted with a rear view camera, whilst ELX models are also fitted with front and rear parking sensors that detect obstacles and alert the driver of their presence.
